I was driving south on HWY 9 & was stopped at the light on Market place. I was the first driver in line when the light turned green. I proceeded to pull forward when my daughter (11 months) dropped her toy & when I turned around to pick it up I swerved in to the left turning lane of cars traveling North bound. The car I hit is a 2003 Subaru Forester. The only damage that seems to have occurred on both vehicles is the driver side outdoor rear mirrors are banged up, or falling off (victim's vehicle).
